

CHURCH OF CHRIST SUNCOAST

May 20, 2007

As we read through Scripture, we learn of God and his very nature. Deuteronomy 10:18 states, *"He defends the cause of the fatherless and the widow, and loves the alien, giving him food and clothing."* One aspect that stands out is his love and concern for those without parents to care for them. Even in the Old Testament law, God had provisions to care for orphans. *"So that the Levites...and the aliens, the fatherless and the widows who live in your towns may come and eat and be satisfied, and so that the Lord your God may bless you in all the work of your hands."* Deuteronomy 24:19 All through God's Word, we are admonished to be God-like or take on his attributes. I Timothy 2:2 Knowing that it is God's nature to have a heart for the fatherless, we too must develop that same heart.

The church at Suncoast works to take care of those without families. Each month, Suncoast financially supports Christian Home & Bible School. CH&BS is a children's home in central Florida run by members of the church and currently houses and cares for over 30 kids. They have asked for additional help in filling their food pantry. From my own experience in being a dorm parent at CH&BS, I know firsthand that everything donated is used directly for the children in need. Tonight is our last opportunity to be involved in the food collection. The supply truck will be picking up our donations this week. -Kyle
