Why Go To Church?

A Church-goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday. "I've gone for 30 years now," he wrote, "and in that time I have heard something like 3,000 sermons. But for the life of me, I can't remember a single one of them. So, I think I'm wasting my time and the preachers are wasting theirs by giving sermons at all."

This started a real controversy in the "Letters to the Editor" column, much to the delight of the editor. It went on for weeks until someone wrote this clincher:

"I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this. They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"

"So is my word that goes out from my mouth: it will not return to me empty, but I will accomplish what I desire and achieve the purpose for which I sent it." Isaiah 55:11

God promised us that His Word put within us will make a difference in our lives; it does not come back void. In order for God's Word to have the impact He intended, we have to be present to hear it taught. Let me encourage you come to all the assemblies, whether it's worship or Bible study, so we can be all that God wants us to be. -Kyle
